MORE YOU
KNOW**

ter·roir • /ter'wär/ • noun

:the complete natural environment in which a particular wine is produced, including factors such as the soil, topography, and climate.

Specialty Wine

 **2021 Vin de Filles**
 93% Syrah, 7% Malvasia Bianca
\$18 / \$60

This unique wine was made by Arizona women to highlight the vitality & feminine strength within the world of wine. Our palates discover black cherry & cassis mingling with raw honey & wildflowers, a seriousness that aligns with our time in the cellar. These traits mimic the vibrant community of women who have come together to create this wine. Net profits will be donated to the Verde Valley Sanctuary, a local non-profit organization that provides support for victims of domestic violence & sexual assault.
